

Don't Give Up

Bruno Mars

When you **want/wants** to do something that's new
And it **seem/seems** really, really hard to do
You **feel/feels** like quitting, you **feel/feels** you're through
Well I **have/has** some advice for you

Don't give up, keep on trying
You're gonna make it I ain't lying
Don't give up, don't ever quit
Try and try and you can do it
Don't give up, yeah

If you **want/wants** to catch a ball
But you're having no luck at all
The ball **hit/hits** your head, it **hit/hits** your nose
It **hit/hits** your belly, your chin and toes
Well, try and try and try again
Keep on trying and soon end
You **put/puts** your hands out in the air
You'll catch the ball
Yes this I **swear/swears**

Don't give up, keep on going
You're on a boat,, so keep on rowing
Don't give up, don't ever stop
