

AMUSEMENT PARK

LANGUAGE FOCUS: SPECULATIONS

Complete the sentences using the correct conditional form. More than one answer may be correct.

- If visitors _____ (not follow) the safety rules, employees stop the ride.
- If the park _____ (close), all guests leave the area.
- If children _____ (be) too short, they cannot enter the roller coaster.
- If it rains, the water parade _____ (be canceled).
- If the roller coaster breaks down, the staff _____ (evacuate) the visitors.

CONDITIONALS: FATE OR CHOICE?

For each item, rewrite the second sentence using a 2nd conditional to describe a hypothetical risk.

- Employees do not check the safety bars. Guests are in danger.

- The emergency exits are blocked. Visitors cannot evacuate safely.

- Staff members ignore a mechanical problem. The attraction could fail.

- Children enter restricted areas. They might get lost.
