Hi Marwa

How are you? Hope you are doing well. I was happy to read your e-mail last week when I was in Muscat. I'm writing to tell you about my favourite machine.

We have got a lot of different machines at home. All machines are useful because they help to do work easily. For example, mum can heat the food by using the microwave. She did it in a minute. Last week, my dad bought a new washing machine. It helps to wash all clothes at the same time. However, my favourite machine is the coffee machine. I can make my coffee fast. That is all for now. I hope that was useful. Write to me soon.

Bye

Noora
