## FARMS

There are many different types of farm. On some farms, there are animals. We get meat, milk, **eggs** and wool from animals.

On some farms, there are crops. Crops are **(1)**

\_\_\_\_\_ that we eat or use. We get bread, fruit, and **(2)** \_\_\_\_\_ from crops. On some

farms, there are animals and crops. There are small farms and big farms all around the world. On small farms, there are animals and crops for the farmer's

**(3)** \_\_\_\_\_. On big farms, there are

animals and crops for many people. **(4)**

\_\_\_\_\_ work in the farm every day. They feed and care for animals, they plant and grow crops.

We could buy farm products in the **(5)**

\_\_\_\_\_
