

Read and order the letters.

In most parts of the world, we use the same number **m s y s t e m**.

The ancient **t g p E y a i n** system used pictures for numbers.

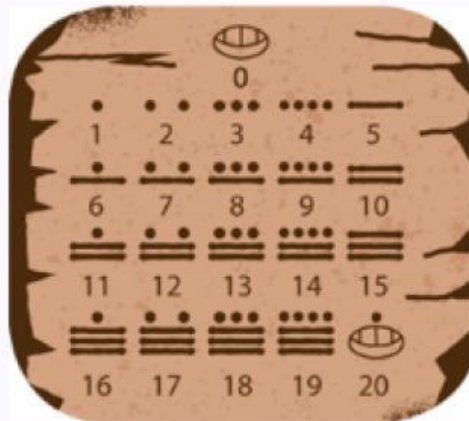

In **a i t n c n e** times, there were many different number systems.

The system we use today is the **i b A c r a** number system.

---

The ancient **M n y a a** system used dots and lines for numbers.
