Eco-Tourism: Being a Green Tourist

Eco-tourism has become more popular in recent years because many people have raised their awareness of environmental protection. More travelers have realized that they are responsible for protecting the places they visit. A green tourist is someone who chooses a sustainable destination and respects the local ecosystem, which may include rainforests, coral reefs, or nature reserves.

When visiting a natural wonder, tourists should take action to reduce their **impact**. For example, they should reduce waste, conserve natural resources, and avoid activities that endanger wildlife. If a destination requires permission to enter certain areas, visitors must follow the rules carefully. Many famous tourist attractions are facing serious threats to biodiversity because too many people visit **them** each year.

Eco-tourism also means supporting local communities and choosing simple accommodation like a homestay. People who have experienced eco-friendly trips often say they feel closer to nature. By making responsible choices, we can protect the environment and support **sustainable** development for the future.

Question 15. What is the main idea of the passage?

A. The benefits of staying in luxury hotels. B. Popular tourist attractions around the world.
C. Ways to be a responsible eco-tourist. D. The history of eco-tourism.
