Belajar Menghitung

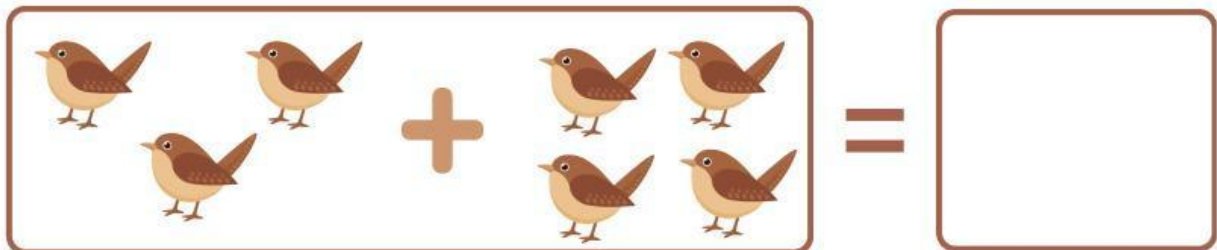

Hitung jumlah hewan-hewan tersebut dengan tepat, lalu tulis jawabannya di kotak!

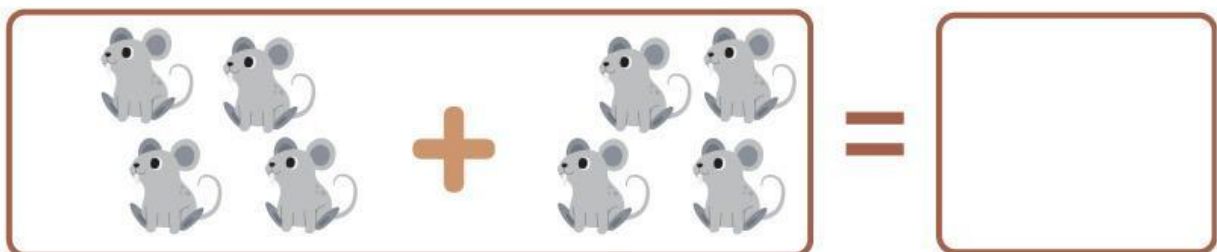

Two groups of two pandas each, separated by a plus sign, followed by an equals sign and an empty box for the answer.

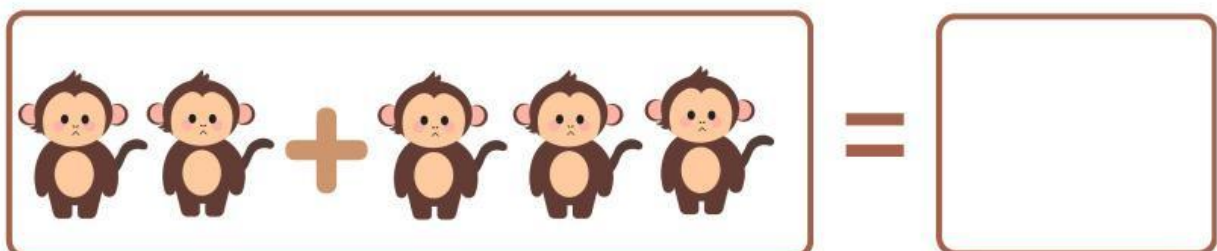

Two groups of two squirrels each, separated by a plus sign, followed by an equals sign and an empty box for the answer.

Two groups of three birds each, separated by a plus sign, followed by an equals sign and an empty box for the answer.

Two groups of three mice each, separated by a plus sign, followed by an equals sign and an empty box for the answer.

Two groups of monkeys, one with two and one with three, separated by a plus sign, followed by an equals sign and an empty box for the answer.

Belajar Menghitung

Hitung jumlah buah sesuai gambar. Gunakan operasi tambah (+) dan kurang (-), lalu tuliskan jawabannya di kotak!

$$\boxed{\text{1 pineapple}} + \boxed{\text{2 mangoes}} - \boxed{\text{2 strawberries}} = \boxed{}$$

$$\boxed{\text{4 bananas}} - \boxed{\text{2 lemons}} + \boxed{\text{4 apples}} = \boxed{}$$

$$\boxed{\text{2 strawberries}} + \boxed{\text{6 pineapples}} - \boxed{\text{2 mangoes}} = \boxed{}$$

$$\boxed{\text{5 apples}} - \boxed{\text{1 lemon}} + \boxed{\text{4 bananas}} = \boxed{}$$

$$\boxed{\text{4 pineapples}} + \boxed{\text{4 bananas}} - \boxed{\text{4 apples}} = \boxed{}$$

Ayo Berlatih Hitung Cepat!

Hitung hasil pengurangan di bawah ini. Tulis jawabannya di kotak!

$$\boxed{6} - \boxed{4} = \boxed{}$$

$$\boxed{3} - \boxed{2} = \boxed{}$$

$$\boxed{8} - \boxed{5} = \boxed{}$$

$$\boxed{10} - \boxed{5} = \boxed{}$$

$$\boxed{8} - \boxed{3} = \boxed{}$$

$$\boxed{9} - \boxed{5} = \boxed{}$$
