

HUMAN – CHRISTINA PERRI

1. Fill the gaps with the missing verbs:

I can my breath
 I can my tongue
 I can awake for days
 If that's what you
 your number one
 I can a smile
 I can a laugh
 I can and the part
 If that's what you
 you all I am

 I can it (x3)

2. Put the words in order:

human / But / only / I'm
 bleed / I / down / when / And / fall / I
 only / human / I'm
 I / down / crash / I / And / and / break
 knives / words / Your / in / heart / head, / my / my / in
 then / up / fall / build / and / me / I / apart / You
 I'm / yeah / human, / only / 'Cause

3. Choose the right word:

I can **run/turn/term** it on
 Be a **God/good/odd** machine
 I can **cold/told/hold** the weight of **worlds/words/wars**
 If that's what you **knit/need/neat**
 Be **you're/ your/yours** everything

 I can **to/do/too** it, I can **to/do/too** it
 I'll get **true/through/truck** it

4. Find the extra words:

But I'm only a human
 And I bleed bad when I fall all down
 I'm just only human
 And I crash it and I break you down
 Your words are in my head, your knives in my heart
 You build me up and then I will fall apart
 'Cause here I'm only human, yeah
