MY FAVORITE SINGER

My Favorite Singer

Shakira is my favorite singer. She is from Colombia. She sings pop and Latin music. Many people love her because she is talented and energetic.

Shakira has long blonde hair and brown eyes. She dances very well, and she writes many of her songs. I listen to her music every day. My friends like her, too.

Shakira lives in the United States now, but she visits Colombia often. She doesn't sing only in English. She also sings in Spanish. Some people don't understand Spanish, but they still enjoy her songs.

I follow Shakira on social media, and I watch her videos online. I really admire her because she is creative and hardworking.
