

LISTENING PRACTICE 5

You will hear Connie talking to her friend Tom about an activity club in the school holidays. Listen and fill in the blank with NO MORE THAN THREE words

Tom: How are you, Connie?

Connie: Really busy this school holiday, Tom. I go to (1) _____ every day. It's in the park, a few kilometres from the (2) _____.

Tom: Can anyone go ... at any age?

Connie: You can go to the club at 9, but I don't think it's so good for children that age. You really need to be at least 11. And maybe it's less fun for (3) _____.

Tom: Do you like the club?

Connie: Yes! Each day I do something new ... something difficult that the (4) _____ think I can do, even if I'm not sure. And I've started to make some friends.

Tom: Well, (5) _____ playing football with my dad. I want to go out on a boat. I've never done that! I'm a (6) _____ swimmer!

Connie: Yes, you can do that at the club.

Tom: Oh, good. If I join, do I need to take anything?

Connie: Just something to (7) _____. You don't need to bring any money because lunches are (8) _____.

Tom: I'll need some new sports clothes.

Connie: Do you know the Star cinema on Bank Street? There's a store (9) _____ that sells all those things. It's (10) _____ to the hospital.

Tom: Excellent!
