

## Reading Activity

"Anna visited the doctor because she had a fever and a cough. The doctor asked, 'How are you feeling today?' Anna explained her symptoms. The doctor said, 'I'm sorry you're not feeling well.' Then he checked her blood pressure and asked her to take a deep breath. Finally, he reassured her by saying, 'Everything will be okay.'"

### Comprehension Questions

1. Why did Anna visit the doctor?
2. What question did the doctor ask first?
3. What did the doctor check?
4. What expression showed concern?
5. What expression reassured the patient?
