

READING ACTIVITIES: PETER THE WIZARD.

My name is Peter and I study in the Golden School of Time Keepers and Wizards. I am friendly, but sometimes I can't control my magic and strange things happen.

On Monday, I wake up very early, brush my teeth and get dressed before breakfast. When I get dressed, my clothes sometimes move around the room flying and I get late to school.

On Tuesday, I have lunch at school with my classmates. Then, I play magical chess with them and the pieces of this game start to move by themselves.

On Wednesday, I listen to music, study spells and help my teachers with potions.

On Thursday, I play the guitar, dance and cook with my family. Sometimes food gets burned by magic...

On Friday, I clean my room with my sister.

On Saturday, I play football and take a shower before sleeping. Sometimes, when I take a shower, water turns green because of my magic.

On Sunday, I read a book and relax.
