A Public Defender's Experience with Young Offenders

Jay Pratt works as a public defender in the United States. representing clients who may lose their freedom and cannot afford a private attorney. Public defenders are attorneys who represent defendants in criminal cases, such as minors who commit crimes like vandalism, theft, or even murder.

Mr. Pratt has a great deal of experience with juvenile offenders and believes that poor academic performance, family problems, and drug use can contribute to juvenile delinquency. However, he is very hopeful that a new program in the state, based on psychological counseling, yoga, and mindfulness, can help many teenagers change their lives for the better.

Read the text and choose the correct answer (A, B, or C).

1. What is Jay Pratt's profession?
A. A police officer
B. An attorney
C. A teacher

2. Who do public defenders represent?
A. People without money to pay a lawyer
B. People with private lawyers
C. only juvenile offenders

3. What problems can contribute to juvenile delinquency?
A. Good grades
B. Sports activities
C. Family problems and drug use

4. What types of crimes do minors commit?
A. Only vandalism
B. Different crimes like theft and vandalism
C. Only serious crimes

5. What does Mr Pratt think about the new program?
A. It cannot help teenagers
B. It contributes to juveline delinquency
C. It can help teenagers improve their lives
