Name _____ Pun

Pun

Making a pun means using a word with the intention that it be understood in more than one way. Some puns are formed by interchanging similar sounding words. Puns can be both intentional and unintentional. They are often intended as a joke, but a pun doesn't have to be funny.

DIRECTIONS: Use the words to complete each sentence with a pun.

mountain	hamster	haircut
ruins	trombone	headband

1. What makes music on your hair? A _____.

2. The little _____ told me a joke. It was hill-arious!

3. My _____ has a cavity, so I'm taking him to the rodentist.

4. If the moon needs a _____, he eclipse it.

5. Since becoming an archaeologist, my career has been _____.

6. What's the most musical bone? A _____.
