- I am interested in learning about language

MY HOUSE IN THE PAST

My old house was confortable. There were two bedrooms. The kitchen and the living room were big, an there was a garage. The furniture was very cozy in the living room was a large white sofa and a big tv, in the kitchen the table and the chairs were made of wood. my bedroom was big, there was a bed a wardrobe, a tv, a mirror, and a desk. I lived with my parents and they were the only people who lived there, so the atmosphere wasn't.

THANKS
