

Reading and Writing

CANADA

Leo

6 Listen and read. 225 What was the weather like on Saturday?

Saturday was a great day! It was cold, but it was sunny. I was in a boat with my mum and dad. I was whale watching! Lots of whales live in the sea in Canada. You can go in a boat on the sea and watch the whales. They jump and dive and splash in the water. They make a very big splash because they're very big animals! I know a lot about whales because they're my favourite animals. They eat fish and small sea animals. They've got big bodies and they've got big tails, too. I've got a great photo of a whale's tail! I like watching the whales in the sea. They're beautiful! I was very happy today!

7 Read again. Then match the questions to the answers.

- | | |
|------------------------------------|------------------------------------|
| 1 Where was Leo on Saturday? | Big bodies and big tails. |
| 2 Who was Leo with? | Because they are very big animals. |
| 3 Why do whales make a big splash? | In a boat on the sea. |
| 4 Does Leo like whales? | Fish and small sea animals. |
| 5 What do whales eat? | Yes, he does. |
| 6 What have whales got? | His mum and dad. |

8 Writing focus Write full stops . or exclamation marks ! .

- 1 I was on a boat yesterday .
- 2 It was a great day .
- 3 Whales are beautiful .
- 4 Lots of animals live in Canada .

Look! We use an exclamation mark (!) at the end of a sentence to show surprise or excitement.

9 Write about a visit to a fun place in your country.
