

## Activity 1

6 Activities

Read and choose the correct answer.

1

Phil, I booked a table for 7 p.m. at the restaurant we like, but they need to know what food we want. I ordered some starters for us, but I wasn't sure what main course to choose. Let me know if you want fish or pasta!

What does the writer want Phil to do?

- A. to decide the time
- B. to choose a main course
- C. to pick a starter

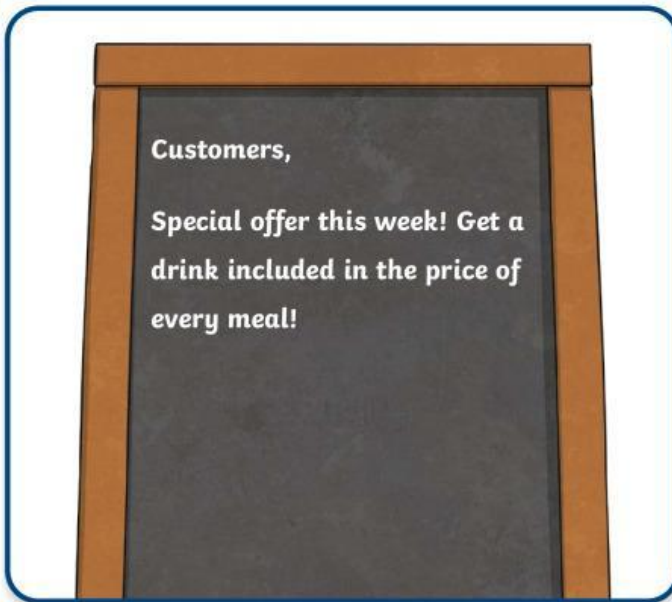

2

Hi Mum,  
I got the shopping! I bought everything you asked for: bread, eggs, and a few cans of soup. I didn't find any tomatoes though, so we'll need to go back again later.  
See you soon!  
Ana

What is Ana's plan after leaving the shop?

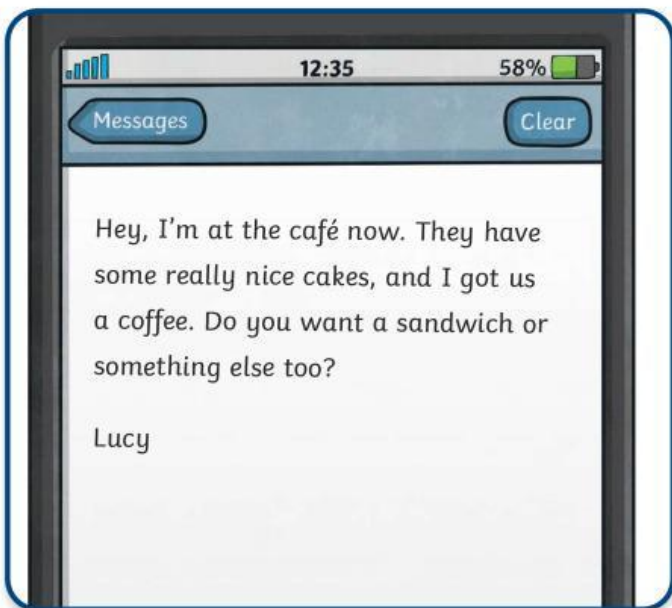

- A. to go home and cook dinner
- B. to visit the shop again later
- C. to ask their mum to buy tomatoes

3

- A. You must order a meal and a drink.
- B. You need to pay for your drink first.
- C. You will get a free drink when you eat.

4

What does Lucy want to know?

- A. if the person wants something to eat
- B. if the cakes are good
- C. if the person likes coffee

5

This week buy one get one free  
on all fresh fruit and vegetables.  
Don't miss it!

- A. Fruit and vegetables are free all week.
- B. You can only buy fruit in this supermarket.
- C. When you buy apples, you don't need to pay for the second item.

### Activity 2

Read and choose the correct option.

**Amy:** Hey Tim, I'm going to the supermarket. Do you need **(1) some / any** milk?

**Tim:** Yes, I need **(2) some / any** milk. We don't have any at home. But we have **(3) a few / a lot of** bread, so don't buy more.

**Amy:** Okay! I'll get **(4) a few / a little** apples. There aren't **(5) some / any** left in the fruit bowl.

**Tim:** Great! And can you buy **(6) some / a little** eggs too? We only have **(7) a few / a little** in the fridge.

**Amy:** Sure, I'll also get **(8) some / any** cheese. Is that enough for the week?

**Tim:** Yeah, that should be fine. We don't need **(9) a few / any** butter, do we?

**Amy:** No, we have **(10) a lot of / a few** butter left.
