Hi Emma,

I'm spending the summer with my friend Liam in Italy. The weather is very warm and sunny. We go swimming in the sea every morning for about two hours. Sometimes we play football on the beach. It is very fun!

Liam's father takes us sailing on his boat. Yesterday's boat trip lasted for five hours. We stopped on a small island for lunch. We ate pasta, fish, and cold juice. I tried seafood pasta for the first time. It was very tasty!

In the afternoon, we go cycling or play tennis. Tomorrow we are going hiking in the mountains. I am very happy here!

See you soon,
Oliver
