Likes and Dislikes

Hi, I'm Julian. I'm 10 years old. I like reading comics and watching movies but I don't like going shopping. Although I go shopping with my mom every Friday.

At weekends, I like playing computer games with my brother Frank and my sister Rachel.

At the evening, before I go to bed, I like listening to music.

My sister likes dancing, but I don't like.

1. Listen and choose TRUE or FALSE
   (Escucha y elige TRUE or FALSE)
