3 autumn / fall

4 winter

a) December – January – February

b) June – July – August

c) September – October – November

d) March – April – May

3 READING

Read the text about the seasons.

A Year in Our Town

Our town has four beautiful seasons.

In **spring**, the weather is warm and the trees have green leaves. Many flowers bloom in parks and gardens.

Summer is hot and sunny. People go swimming, have picnics, and enjoy their holidays.

In **autumn**, the weather is cool. The leaves change color and fall from the trees. Many students go back to school in September.

Winter is cold and sometimes it snows. People wear coats, scarves, and gloves. We celebrate Christmas and New Year in winter.

Every season is special and we enjoy different activities all year round!

SPRING

SUMMER

AUTUMN

WINTER

4 QUESTIONS OF THE READING

Answer the questions about the text.

1. How many seasons are there in our town?
2. What is the weather like in spring?
3. What do people do in summer?
4. What happens to the leaves in autumn?
5. What do people wear in winter?
