Color all the pictures that show 3.

A magnifying glass with a black handle and frame. Inside the lens, three small butterflies are visible.	A simple line drawing of a tree with a rounded canopy and a single trunk. Three circles representing apples are attached to the branches.	A small, fluffy chick with a bow on its head is perched on top of a 2x5 grid. The top row of the grid has three black dots in the first three columns.
A woven basket containing three apples with short stems and leaves.	A two-layered birthday cake with decorative frosting. Three lit candles are on top.	A fluffy cloud with a simple smiley face. Three raindrops are falling from the bottom.
A bunch of three round balloons tied together with strings.	A rectangular domino divided vertically. It has one dot on the left half and two dots on the right half.	A simple pot containing three flowers with five petals each.
Three beach balls, each with a different pattern of lines.	A pond with a wavy border. Three ducks are swimming in the water.	Two large, five-pointed leaves attached to stems with small bows.
