

Video Time! - Cars

Before watching

Discuss these questions:

- * What is the movie about?
- * Who are the main characters?
- * Do you remember the name of the town? Can you describe it?

While watching

Watch this video and solve the activities:

- * Make a tick (✓) on the places you can see

____ museum

____ café

____ hotel

____ school

____ restaurant

____ tattoo shop (body art)

____ gas station

____ shoe store (tires store)

- * According to the video, why did cars stop driving through Radiator Springs?

- * BEFORE or AFTER the Interstate? Write **B** for the descriptions that correspond to Radiator Springs in the past, and **A** for the things that correspond to Radiator Springs in the present.

--- many cars	--- lonely
--- empty	--- jobs
--- rusty* signs	--- happy

*rusty = oxidados

After watching

* Complete the following chart with the comparative and superlative forms of the adjectives.

Example → lonely – lonelier – **the loneliest**

adjective	comparative	superlative
busy		
empty		
silent		
happy		
rusty		

* Now use the adjectives from the previous exercise to compare Radiator Springs in the past and in the present. You can also use different adjectives.

Example: In the past, Radiator Springs had more cars than in the present.
