7 Read the text.

You should visit ...

1 ... Camden Market, London. This popular market is open every day, and it's got over a thousand shops, stalls and cafés.

2 The market is a great place to eat. For street food from all over the world, go to KERB. There are 34 different stalls, including our favourite – Club Mexicana. Their fish tacos are wonderful. If you don't eat meat, VBurger has a lot of different vegetarian fast food. Go to Nata 28 for fantastic Portuguese cakes and biscuits. Chin Chin Labs has many different kinds of ice cream as well as tea and coffee.

3 You can buy many things there. Most people go to buy clothes, but it's easy to find books, music and shoes, too. There are many stalls with clothes you can't buy in typical shops. People make and sell clothes and there are stalls with clothes from the past – the 1950s and 1960s clothes are popular.

4 In summer there is often live music in Camden Market. There is a cinema near it if you want to see a film.

8 Read the review. Match paragraphs 2–4 with headings A–D. There is one extra heading.
