Father's Day at School

We had our Father's Day show today. Many fathers came to our school. Emma was there with her father, David. David has curly brown hair. He is young and friendly. He loved the songs and clapped loudly.

Ben came with his father, Michael. Michael is older and has short gray hair. He smiled during the show and took many photos.

Sophie was there with her father, Robert. Robert has black hair. He also has a beard and a mustache. He enjoyed watching the children perform.

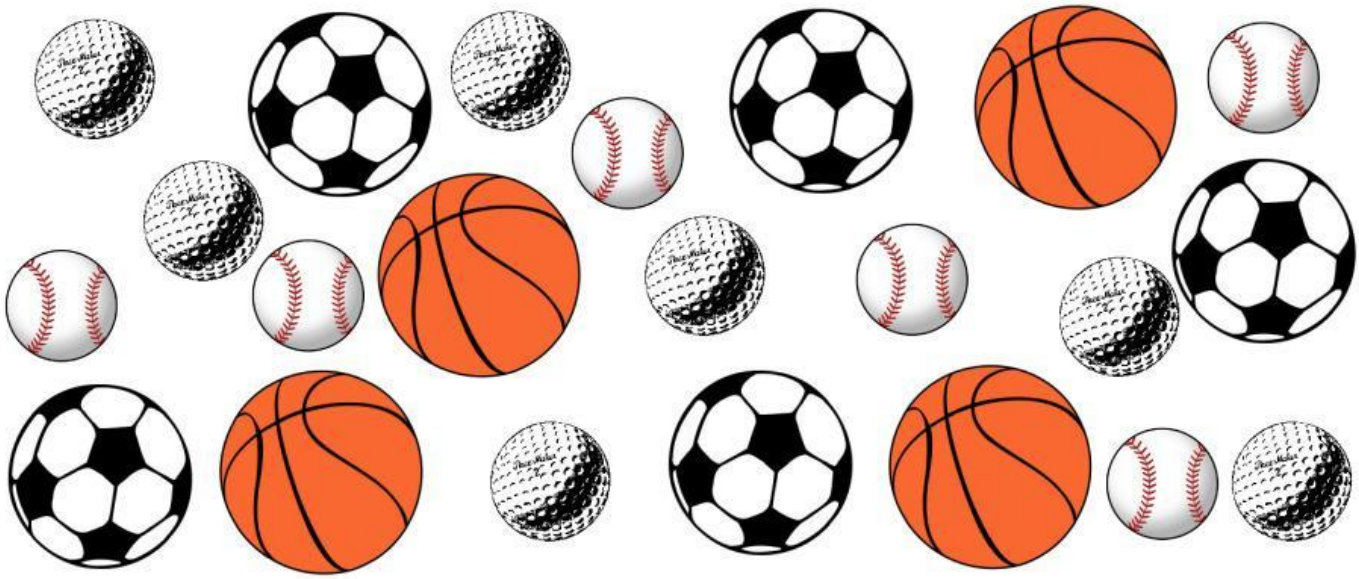

Kevin came with his father, Kenji. Kenji has gray hair and wears glasses. He laughed at the funny parts of the show.

All the fathers had a wonderful time. The children were happy to celebrate Father's Day with them.
