Bugs Live Here!

Go to the park and look around. Look on a tree, a leaf, or on the ground. A lot of different bugs live here!

Look, it's a ladybug. Ladybugs have six legs. They have two eyes, too. Look at this red ladybug! Its two wings are closed, they aren't open.

What are those? They're caterpillars! They are yellow and green. They have a lot of legs. They have two eyes. They don't have wings. They aren't butterflies!

Mosquitos have six legs and two wings. They are small and black. Look, a mosquito! Run!
