The Lion and the Mouse

One day, a lion was sleeping peacefully in the forest. Suddenly, a little mouse ran across the lion's body. The lion woke up and caught the mouse with his huge paw.

"Please let me go," begged the mouse. "Someday I may help you."

The lion laughed loudly. "How can a tiny mouse help a strong lion?" However, he felt kind and released the mouse.

A few days later, the lion was trapped in a hunter's net. He roared loudly for help. The mouse heard the lion's cry and quickly ran to him.

The mouse gnawed the ropes of the net with his sharp teeth until the lion was free.

The lion said gratefully, "You were right, little friend. Even a small animal can help a big one."
