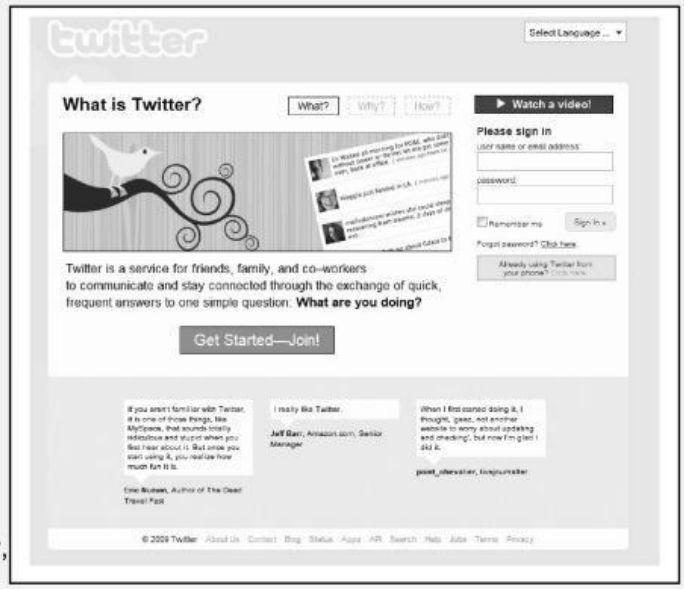
READ

Read the text and answer the questions.

Twitter is one of the most popular and fastest growing websites in the world today. In fact, it's the third most popular social networking website on the Internet after Facebook and MySpace. Twitter isn't just about finding friends online. It's about getting the latest news as fast as possible.Twitter is something like a blog and a news site and that's why many people call it "micro-blogging." You receive updates as soon as someone puts them on Twitter. When you get a new update, or "Tweet," the website sends it to your cell phone, too. That way, you know what's happening in the world before anyone else! The website started in 2006 and Twitter already has around 500 million users, including presidents, politicians, celebrities, and college professors. Twitter is going to be one of the most important ways of communicating and receiving news in the future.



1. What can you do on Twitter?

_____

2. How do many people call Twitter?

_____

3. How can you receive an update on Twitter if you are not near a computer?

_____

4. How many people are using Twitter today?

_____
