A Visit to the Fire Station

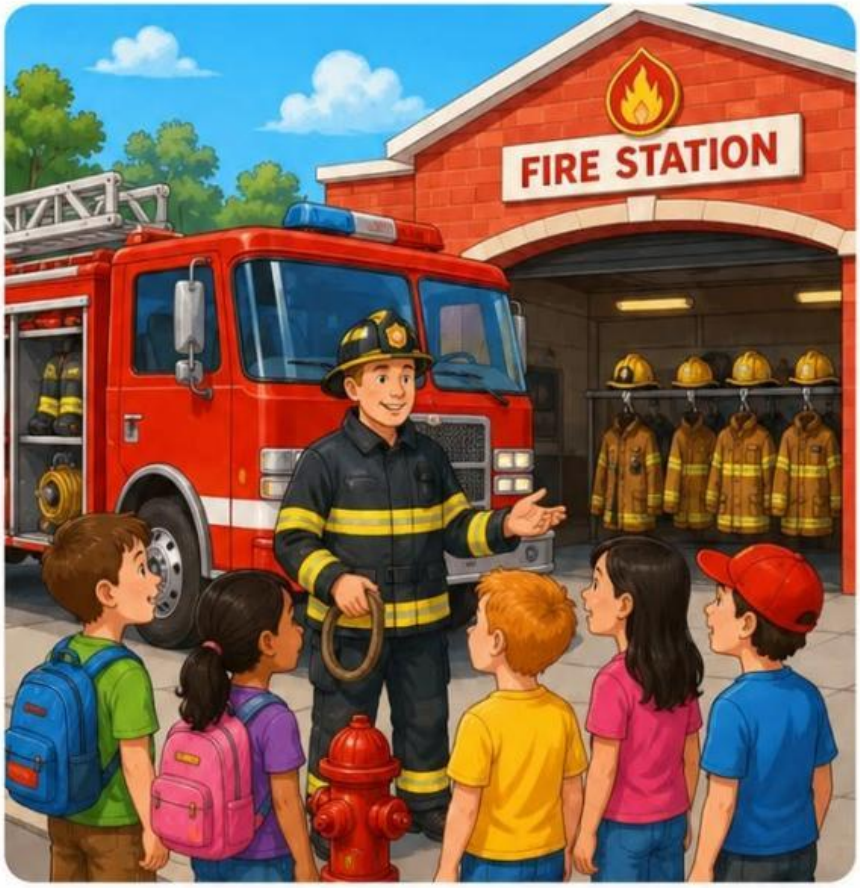

Last Friday, Liam visited the fire station with his class. The day was exciting and full of surprises.

First, the firefighters showed them the fire trucks and explained how they work. The trucks were big, shiny, and red!

Next, the class learned about the gear firefighters wear to stay safe. Liam tried on a helmet. It was heavy, but he felt proud!

Then, they watched a firefighter demonstrate how to use the hose. Water sprayed high into the air!

Before leaving, the class thanked the firefighters for keeping everyone safe. Liam can't wait to visit again!
