

## Reading comprehension

**MY SCHOOL SUBJECTS**  
Hi! My name is Alex. I am a student. Every day I go to school. I study many interesting subjects. My favourite subject is English. I like to speak, read, and write in English. I also like History because I love stories about the past. On Mondays and Wednesdays, I have Maths. Maths is difficult, but our teacher is very nice.

On Tuesdays and Thursdays, we have Science. We do fun experiments in the classroom. On Fridays, we have Art and Music. In Art class, I draw pictures. In Music class, we sing songs. I love Fridays!
