Ancient Games

Old Football
(19th century)

Early Rules

Modern World Cup

1. Did football always look the same? _____
2. Did people use their hands in the past? _____
3. Which picture looks more dangerous? Why? _____
4. Where do you think football started? _____

B. READ THE TEXT

Football is one of the most popular sports in the world today. However, the game looked very different in **ancient times**. Early forms of football **were played** in China, Greece, and Rome thousands of years ago.

In the past, players sometimes **used** their hands and feet. The games **were** often violent and there **were** very few rules. During the 19th century, football **became** popular in English schools.

Different schools played different versions of the game. Some students used their hands while others only **used** their feet. Later, official rules **were created** and football slowly became the modern sport we know today.

Today, football is **played** all around the world and millions of people watch tournaments such as the FIFA World Cup.
