Instructions for the teacher

Pre-activity

Introduce or revise food vocabulary: water, orange juice, coke, yoghurt, sausages, cake, milk, meat, ice-cream, bananas, grapes, strawberries, pineapple, cheese, butter, olives, peppers, beer, broccoli, tomatoes, eggs

Procedure

Divide students into pairs. Give student A a blue worksheet and student B a red one.
Students choose 10 items from the given images and draw or write the names in the fridge.

Students ask their partner;

A- Is there / Are there any / a / ...?

B Yes, there is / there are ... a/ some - No there isn't any.

Go around listening and helping, if necessary.
