He is a real friend and we ⁷*support / are supported* the same football team.'

- b New grammar. Read another true story. How does the hypnotist rob banks?

Hypnotic bank robber

Bank clerks in Moldova have been told by the police not to make eye contact with customers after a series of robberies. **The robber is believed to be a trained hypnotist from Russia.**

He is said to put cashiers into a trance before making them hand over tens of thousands of dollars' worth of notes.

It is thought that the criminal begins talking to bank tellers and gradually hypnotizes them. After getting them to give him money, he then brings them back out of the trance and leaves them with no memory of handing over the cash. **It is believed that** the man has robbed at least three banks in the last month.

- c Look at the **highlighted** phrases. Do people *know* this information for sure about the robber or do they only *suspect* it? How is the structure different after *he* and after *it*?
