Bonnie and Clyde

Bonnie and Clyde were a famous American couple in the early 20th century. The two were hardened criminals who mainly performed robberies. They did occasionally commit murder to ward off law enforcement officers. They also led a gang of other criminals who helped them in their activities.

The couple was romanticized and adored by the American population. This had a lot to do with the fact that Bonnie was a young female criminal, which was unheard of in American society. Also, the story of two brutal criminals who were in love was enthralling as well.

The couple and their gang managed to evade the law for years. They ran out of luck in 1934, when a posse of law enforcement officers caught up with them. The officers ambushed the couple as they were headed to visit a friend and shot them to their deaths.
