Indian and Malay influences buildings. Combining with great taste food, fantastic shopping, exciting nightlife, first-class airport and connections to the rest of the world, this Lion City is a great stopover.

According to legend, Singapore was part of the Srivijayan Empire in the 13th century.

Began in 1819, Singapore was founded by Sir Thomas Stamford Raffles and he declare Singapore a free port, with no duties charged on trade. This policy had drawn traders from far and wide and turns her into one of the Asia's busiest port.

When World War II broke out, Singapore was seen as a formidable British base; with several naval defenses guarding against assault by sea. However, to their surprise, the Japanese chose to cross Malaya by bicycle instead. Despite with all the effort to hold the Japanese, Singapore had surrendered on 1942 with less than a week of fighting. The Japan occupation lasted for three years and eight months with the return of the British in 1945. After the war, Singapore became a British Colony.

Singapore had joined Malaysia for a short time in 1963 when the British left, but Singapore left Malaysia and became independent on 9 August 1965. Since then, Singapore's economy boom for the subsequent forty years and become one of the four East Asian Tigers.
