LUCAS EVERY DAY

A. Lucas wakes up early. He packs his school bag with books and a lunchbox. He looks forward to school. Today, he has a science experiment he really likes.

B. After school, Lucas comes home and does his homework for two hours. He puts his books away and puts on his soccer shorts to play with friends.

C. In the evening, before dinner, Lucas always cleans his bedroom. He makes his bed and tidies his toys. A clean room makes him feel happy and organized. Sometimes he reads a storybook with his younger sister.

D. On weekends, he helps tidy the garden and helps his parents. He also finds time to read a storybook, his favorite way to relax. He tries to be helpful and kind to everyone.
