

ชื่อ-นามสกุล : _____ ชั้นเรียน : _____

CONCEPT

Learners of English can look up words on online dictionaries like Longman, Oxford, Cambridge, and Merriam-Webster that carry basic details of words such as parts of speech, pronunciation, word formation, definitions, how to use the words, origin, etc. New terms (terminologies) will be declared periodically on a dictionary website or web blog.

OBJECTIVES

1. to surf the internet with the use of different web browsers
2. to identify icons on a web browser and email icons
3. to find out words or new terms on an online dictionary
4. to use proper expressions in asking for clarification
5. to connect social networks via emails
