

★ ALL STARS ★ PHRASAL VERBS IN USE!

★ Look at the pictures and read the situations. What phrasal verbs do you think describe each action? Use the verbs in the box to help you.

GO AWAY • USE UP • THROW AWAY • TURN (THE WATER TAP) OFF • PICK UP • RUN OUT OF • LOOK AROUND

Sometimes, tourists go to places where they are not allowed and disturb nature. We should go _____.

While brushing our teeth, we should always turn the water tap _____.

If we see rubbish on the beach, we should pick it _____ and keep the place clean.

We should never throw rubbish _____. It can pollute rivers, seas and harm animals.

We should bring reusable things so we don't _____ them quickly during our trip.

Before booking a tour, we should look _____, read reviews and make sure the company is really sustainable.

Turning lights and devices off when we don't need them helps us save energy and _____ resources.

Classify the previous phrasal verbs into the three groups you've been studying.

GO AWAY • USE UP • THROW AWAY • TURN (THE WATER TAP) OFF • PICK UP • RUN OUT OF • LOOK AROUND

No Object Needed	Separable (With Object)	Inseparable (With Object)

OPEN CLOZE!

Complete each gap with **ONE WORD ONLY**.

Travelling responsibly begins before you go (1)_____. Instead of following your usual automatic behaviour, learn more about sustainable tourism and environmental awareness.

At your hotel, always turn the water tap (2)_____ while brushing your teeth. If everyone does this, we won't use (3)_____ valuable resources so quickly.

When visiting beaches or national parks, always pick litter (4)_____ instead of walking past it. Never throw rubbish (5)_____, especially in reef-friendly areas.

Before choosing a tour company, look (6)_____ and make sure it isn't promoting greenwashing. Responsible travellers don't wait until they run (7)_____ supplies before making environmentally friendly choices—they plan ahead.

SENTENCE TRANSFORMATION!

In English exams, you often need to express the same idea in a different way.

Replace the phrasal verb with one verb that has the same meaning.

Use the word in **CAPITAL LETTERS** as a hint.
