Structure 2 – Series of Events

The second part of a recount text is a Series of Events. This part tells what happened in chronological order.

While we were waiting for our bus home, one of my friends suddenly had an idea, "What if we go to Blok M instead?" Everyone liked the idea, so we quickly changed our plan.

We took the 4K bus from school to Blok M. When we arrived, we immediately looked for food since we were starving after the exam. We decided to go to the Blok M Hub, where I ordered Chicken Katsu while my friends tried the other foods in Blok M Hub.

After we filled our stomachs, we went to our favorite photobooth in Blok M Square and had such a fun time. Then we moved to our favorite coffee shop, Tuku, where all of us bought the Kopi Susu Tetangga. We finished the trip with our last stop at Gramedia Jalma, since some of my friends wanted to purchase novels.

 Look for sequence words (e.g., First, Then, After that, Finally).
