Structure 3 – Reorientation

The last part of a recount text is a Reorientation. This part closes the story and shows the writer's feelings or comments.

I felt tired but very happy because I was finally able to feel relieved after feeling swamped by the exam, and I gained my free time back with my friends.

 **Tip:** Sometimes the answer is not written directly. Use clues from the text.

1) What is the main idea of the last paragraph?

2) How did the writer feel?

☐ Tired

☐ Angry

☐ Nervous

☐ Happy

3) What can you infer about the writer's exam week?
