

Reading, Speaking, and Writing Activity #2: Numbers from 1 to

Student Instructions

1,000

Read the story carefully. Pay attention to the numbers in the text. Then complete all the activities.

1. **Read** the story one time.
2. **Answer** the comprehension questions.
3. **Match** each number with its correct name in English.
4. **Write** the numbers in words using correct spelling.

A Busy Day at Green School

On Monday, **25** students arrived early at school. Their teacher had **107** new books for the classroom library. Later, the children counted **381** colorful pencils and **473** crayons for an art project.

After lunch, the principal announced that the school had planted **620** flowers around the playground. The school also collected **756** plastic bottles to recycle during the year.

At the end of the year, the library celebrated because students had read **915** books together. Everyone was excited because the school hoped to reach **1,000** books next year!

 **Read it again and record your reading.**

Vocabulary: Write the numbers you find in the reading in order from the smallest to the largest. ✍️
