

READING PART 4

Read the text. Choose the correct word (A, B or C) and write it on the lines.

In the past, schools were very different from today. Poor children didn't always go (1) to school. Often (2) they worked in factories because their families needed the money. Girls sometimes (3) didn't go to school or, if they did, they went to schools that were only for girls where boys (4) couldn't go.

The classroom in the past looked different too (5) because there were no computers. (6) But some things were the same – children sat at desks and looked at what the teacher (7) wrote on the board.

The subjects were the same too – children (8) learnt maths, English and science. Teachers were often (9) more unfriendly than they are today. If a child was naughty, the teacher could hit them (10) when they didn't obey.
