4. READING: Read the passage and choose True (T) or False (F).

ONE MINUTE IN THE LIFE OF THE WORLD

In just one minute, many things are happening around the world. Almost 250 babies are born. About 1.5 million people are getting up. More than 250,000 people are eating. Many people are working or studying. Around the world, about 180 people are getting married. People are also using more than 2 million plastic bottles. In nature, about 100 lightning strikes hit the Earth. Sadly, some animals are becoming extinct.

- | | T | F |
|--|--------------------------|--------------------------|
