READING

7 Read the three texts below about three teenagers who are volunteering to help out at sporting events. Choose the correct answers to the questions – A, B or C.

Which volunteer ...

- 1 is going to get some money for helping at the event? _____
- 2 has volunteered to help at the event before? _____
- 3 won't have enough money and won't see the event if they don't help out? _____
- 4 thinks they know what the weather will be like for the event? _____
- 5 will have to be at the event for more than one day? _____

A David

The sports teacher in my class asked if anyone wanted to help out at a big basketball tournament in town this Saturday. So I'm going to help set up the seats for the spectators – and pick up all the rubbish afterwards. I'm not looking forward to that part, but it'll be great to watch the match. The tickets cost £30 each, so if I don't do this, I can't go!

B Mia

My sports club coach asked me to help out with some races in my town so I agreed. I did it last year, too, so I know what to do. The competition is on Saturday and Sunday on the school field, so I won't be at home much at the weekend. I just hope it won't rain! I'll need to tidy up after the races, too – but my coach says I'll meet some famous runners, so that's really why I'm going!

C Freddie

My dad's asked me to help him with a 5 km walk around our town. He helps every year. So I'm going to set up some drinks stands and give out water to people on the way. It's all free! And we're expecting it'll be a hot day! I'll have to give up my usual Saturday with my friends in town, but never mind – Dad says he's going to give me some money to spend next weekend!

Name: _____ Class: _____

WRITING

8 You recently had a day out in the city centre with your friend Josh and his family. Write a note to Josh. In your note, you should

- thank Josh and his family for the day out
- say what you enjoyed doing on the trip
- ask to see Josh's photos of the trip
- suggest something you and Josh could do together soon.

Write your **note** in **110–130 words**.

[illegible]

_____ / 10

Total: _____ / 45
