

CONJUNCTIONS - TIME EXPRESSIONS

TASK ONE. Read the text and choose the best word.

The Amazing Life of Sea Turtles

Every year, thousands of baby sea turtles hatch on sandy beaches. (1)_____ they come out of their eggs, they immediately start moving towards the sea. They must be very careful (2)_____ they cross the beach because birds and crabs are waiting to catch them. Most turtles rest for a while (3)_____ they continue their long journey into the ocean. They swim for many years and return to the same beach (4)_____ they are adults. Female turtles always find a safe place to lay their eggs, and they leave (5)_____ covering them with sand. The babies will hatch a few weeks later, beginning the cycle again.

TASK TWO. Read the text and write in the correct word: *When, After, before, while, As soon as*

Open Cloze - The Storm in the Forest

Last Saturday, my family went for a walk in a forest. We wanted to get back to the car (1)_____ it started raining because the sky was becoming very dark. (2)_____ we were walking along a small path, we heard a loud clap of thunder. (3)_____ the rain began, we quickly put on our jackets. (4)_____ we reached the car, we were completely wet, but we were happy that we had found it in time. (5)_____ we got home, we made some hot chocolate and watched the rain from the window.
