LIVEWORKSHEETS

People might build houses on Mars in the future. Houses on this planet will be underground. Underground houses will be safer, and the temperatures will not be very high during daytime and not very low at night. Mars homes might be big balloons with oxygen. People will wear oxygen masks when they get out of their home because there is no air on Mars. The house might have beds, tables, and chairs, so people will sleep, eat, and work inside their houses. They will plant special kinds of trees to make this planet greener. There will be plants to make water under the right temperature and pressure conditions because scientists have found a **huge** source of water on **this planet**.

27. Houses on Mars will be _____.

A. on the ground B. under the ground C. in the sea

28. The phrase "**this planet**" refers to _____.

A. the Moon B. Mars C. the Earth

29. The word "**huge**" in the paragraph is CLOSEST in meaning to _____.

A. enormous B. generous C. dangerous

30. The main idea of the paragraph is about _____.

A. how people will travel to Mars

B. what future homes on Mars might be like

C. the history of Mars exploration

31. According to the paragraph, which of the following sentences is NOT TRUE?

A. People will need oxygen masks when they go outside on Mars.

B. Mars houses might be made of balloons filled with oxygen.

C. People can breathe normally on Mars without any equipment.

32. From the paragraph, it can be referred that _____.

A. Mars has enough air for people to live without help

B. People might be able to live and work inside homes on Mars
