

Ex 5: Fill in the blanks with either "used to" or "didn't use to" to complete the sentences.

When I was younger, I ___(be) afraid of dogs. I ___(like) their barking and would always avoid them whenever I saw one. My friends would laugh because I ___(play) with their dogs when I visited their houses.

However, things have changed now. Over time, I've become more comfortable around dogs. I've realized that they are friendly animals and can be a lot of fun to be around. Now, I enjoy spending time with dogs and don't feel scared anymore. In fact, I love taking my neighbor's dog for walks in the park.

Looking back, it's funny to think about how much I ___(like) dogs. They've become such a big part of my life now, and I can't imagine not having them around.

Complete the sentences. Use words from the box. Then role play the conversation with a partner.
