<b>READING. Read this text and circle T for true or F for false.</b>	<b>4 x 0.25 = 1 mark</b>
--	--------------------------

I'm Tina. I am thirteen and today I want to talk about my best friend Selena. She is my classmate and she is thirteen years old too. We go to a big school near Scotland. We share the same desk and love the same school subjects. Our favourite lessons are Arts and Physical Education. I am very good at tennis and she is very good at volleyball. We both have a busy life. We always get up at half past six and at seven o'clock her father takes us to school by car. They live next door to us, so after school we always do our homework, walk our dogs and play together. Our classes start at half past seven and finish at 4 p.m. Her mother is a nurse. My mother is a nurse, too and they work at the same hospital. Our fathers are engineers but they work at different companies. She is like a sister to me.

1. The text is about two nurses.
2. They don't do many things together.
3. Their mothers work at a hospital because they are doctors.
4. The girls like sports.
