

Every day is so

Then suddenly it's hard to breathe

Now and then I get insecure

From all the

I'm so ashamed

I am no matter what they say

Words can't bring me down

I am in every single way

So don't you bring me down today

To all your you're delirious

So consumed in all your doom

Trying to fill the emptiness

The pieces gone, left the puzzle undone

Is that the way it is?

You are no matter what they say

Words can't bring you down, oh no

You are in every single way

So don't you bring me down today

No matter what we

No matter what we say

We're the inside the tune

Full of beautiful mistakes

And everywhere we

The sun will always shine

And tomorrow we might wake on the other side

'Cause we are no matter what they say

Yes, words won't bring us down, no, no

We are in every single way

So don't you bring me down today
