Currently, I am a student in a junior high school. It takes 15 minutes to walk from my house to school. Every day I walk to school. My school is yellow. It is located in the middle of a large land. There are many trees around the school. The schoolyard is very large. We often organize collective activities here. My school has a multi-purpose training ground. We will learn gymnastics here. Also, we can play sports here during recess. With different subjects we will study in separate classrooms. My favorite is the lab. We use it to study chemistry. Here are the tools to do the experiment. However, we can only use it with the consent of the teacher. The teachers at my school love their students very much. Teachers always try to have good and effective lectures. In addition to learning, teachers and us share everyday stories. My friends are very kind and friendly. We learn together and play together. I love this school. I hope I will study well to honor my school.

Hi, My name is Quan. My new school's name is Nguyen Tat Thanh secondary school. It's located in Xuan Thuy street, Ha Noi capital. It's surrounded by many tall trees with much fresh air. It's big with a large yard and three buildings. It has 20 rooms with 14 classrooms and some function rooms: a library room, a biology room, a language room, a chemistry room, a physics room & a computer room. There is a playground in my school where we often play basketball in it at breaktime between lessons. There are 40 teachers. They are kind, helpful & generous. They are as our second mother. They teach us many useful lessons and help us with many difficult problems in life. It also has 450 students. They are always sociable, funny and intelligent. We often sit on the benches under the trees to talk about interesting lessons or a good movie at recess. We join many clubs after school : English club, Art club, reading club, football club.... My new school is always in my mind & I love it very much.
