REPORTED SPEECH & WRITING PET PRACTICE PART 1

A. THEORY

+ Cần áp dụng quy tắc lùi thì đối với động từ:

Subject: Your visit this Saturday

Hi,

I'm really happy that you're coming to visit us this Saturday. Your train arrives at 9:30 in the morning, right? My dad can pick you up from the station because he knows the town better than I do. After that, we can go straight home so you can leave your bag there.

I've planned a few things, but you can choose what you like best. In the morning, we could walk around the old market because there are many small shops and a nice food court. If you prefer something quieter, we can visit the city museum instead. It is not very big, but it has some interesting old photos of the town.

For lunch, my mum wants to cook something special. She can make chicken pasta or vegetable noodles. Please tell me which one you prefer. In the afternoon, we might go window shopping at the new shopping centre, or we can relax at home and watch a film.

See you soon,

Chloe

Decide if the sentences are True or False.

1. Chloe's dad can meet the visitor at the train station.
2. Chloe wants to go to the beach in the morning.
3. The city museum has some old photos of the town.
4. Chloe's mum wants to buy lunch from the food court.
5. In the afternoon, they may go window shopping or stay at home.
